2. Core Botanical Formula & How It Works

Inside every Spartamax gummy...

You'll find a unique and rare blend of ingredients specifically included to transform you your desire, your stamina and your libido

Standardized Botanical Potency: The formula is anchored by Horny Goat Weed (standardized for icariin) and pure Tongkat Ali to assist in liberating free testosterone from binding proteins.

Endothelial & Vascular Fortification: L-Arginine acts as a direct nitric oxide precursor, while Maca root and Zinc support cellular ATP energy generation and prostate wellness.

Spartamax works progressively through three biological phases: acute physical stamina support (Days 1–15), vascular circulation enhancement (Days 16–45), and sustained hormonal equilibrium (Days 46–90+).

Manufactured in FDA-registered and cGMP-certified facilities, every batch is third-party HPLC tested to guarantee 100% label accuracy, heavy metal absence, and non-GMO purity.
